

BlackBerry Police Seminar

25th February 2010

Ramada Hotel & Resort, Birmingham

The 4th Annual BlackBerry® Police Seminar will take place on 25th February at the Ramada Hotel & Resort Birmingham. The event will give you the opportunity to learn and share best practice of how mobility is transforming working practices for forces and includes:

Real-world advice and testimonials from your peers

Presentations from existing BlackBerry® solution customers, demonstrating how deploying BlackBerry® smartphones has helped their force to improve efficiency and effectiveness. Our keynote speaker will be Jan Berry, Independent advocate for reduction of police bureaucracy.

Insight into new technologies and solutions

Presentations from BlackBerry® solution experts and Alliance partners who will demonstrate some of the latest applications and solutions. The seminar will also provide an opportunity to network with your peers, Research In Motion® (RIM) representatives and a selection of our application partners in the partner exhibition area.
